

**A. Completion Data:**

- Average time to graduate when entering program with a BA degree: 6.20 years (median: 6.00 years)
- Average time to graduate when entering program with a MA: 5.88 years (median: 6.00 years)
- Percent that graduate within four years: 7%
- Percent that graduate within five years: 22%
- Percent that graduate within six years: 41%
- Percent that graduate within seven years: 22%

**B. Internship Data:**

Data based on the 44 students who enrolled in internship between 2001-2007:

- Obtained internships: 100% (of these 2 students obtained in the second year of applying)
- Obtained paid internships: 98%
- Obtained APPIC accredited internships: 98%
- Obtained APA accredited internships: 95%
- Obtained CPA accredited internships: 0%
- Obtained two year half-time internships: 0%

*Internship Data*

	2008	2007	2006	2005	2004	2003	2002	2001	2000	1999
Number Applied to Internship	3	5	11	2	3	5	8	8	6	9
Number Receiving Funded Internships	3	5	11	1	2	5	8	7	5	7
Number Receiving Accredited Internships	3	5	11	1	2	5	8	6	5	5

**C. Attrition Data:**

Year of Enrollment	# Enrolled	# Graduated with doctorate	# Still currently enrolled	# No longer enrolled
2000	6	4	1	0
2001	10	6	2	2
2002	8	1	5	2
2003	5	0	3	2
2004	6	0	4	2
2005	5	0	5	0
2006	6	0	6	0
2007	6	0	6	0

**D. Licensure Data:**

These data are based on students that enrolled in our program starting in 1997 and graduated by 2005. Of the 13 students enrolled and graduated within this time, all but one is licensed as a psychologist (92%).
