

**Algebra 1 EOC  
Performance Event  
Training**  
With  
**Cathy Battles**  
**UMKC PDR Consultant**

Want to try and improve your student's scores on the EOC Performance Event for Algebra 1? We will look at the Anchor Papers, Scoring guides, and student work for the three Performance Events that have been given so far on the Algebra I End Of Course Exams, including this past summer's Performance Event. Time will be spent in looking at the scoring guides, anchor papers and then scoring student work for each event. While you won't be able to take the "training materials" with you, by the end of the session, you should know how to help your students improve their scores on the Performance Event. We will also spend time on some free software and how it can be used in the math classroom as a great visual tool. The focus will be on Algebra 1 content but it can be extended through Calculus.

Please bring your laptop and download this software (geogebra) at [www.geogebra.org](http://www.geogebra.org) before you come.

Where: Stansberry Leadership Center  
301 NE Tudor Rd.  
Lee's Summit, MO 64086  
When: Wednesday, November 18, 2009  
Workshop: 8:30 a.m. – 3:00 p.m.  
Cost: \$25.00  
Lunch is on your own.
