SETTING UP YOUR SSO

New students are automatically assigned a Single Sign On (SSO) which is also known as a User ID. The SSO is the key to all computer resources at UMKC.

- If you know your SSO, but do not know your password, visit the following site for instructions on how to set up a new password: <http://www.umkc.edu/registrar/forms/passwordsetup.pdf>
- If you were given your SSO and a Bootstrap password, visit the following site for instructions on how to set up a real password: <http://www.umkc.edu/registrar/forms/PathwayBootstrapLogin.pdf>

If you are having difficulties setting up your SSO, contact the Call Center at 816-235-2000.
